

PCM/KEY RELEARN PROCEDURE

If you are the proud owner of any *W Body* vehicle other than the 1997 – 2003 Pontiac Grand Prix, your vehicle may not start with its new PCM right away. It needs to learn the new PCM as a security feature of the vehicle. The list of vehicles this may include are :

2004+ Pontiac Grand Prix
2000+ Chevrolet Impala
2000+ Chevrolet Monte Carlo
1998+ Buick Regal
...and others are possible.

The procedure to learn the new PCM to your vehicle is as follows :

- 1.) Attempt to Start (Key to Run) NOTE : Car will not start
- 2.) Release key to 'ON' position
- 3.) Wait ~11 minutes (or until Security Light INDicator) turns off in message center.
- 4.) Turn Key off and wait 30 seconds.
- 5.) Repeat 1 - 4 until car starts (usually 3 cycles)
